Specifically, the data received through the present web will be incorporated into the file [**WEB USERS / NEWSLETTER**]. These files will be applied to this privacy policy.

2- Collection and treatment

The treatment [WEB USERS / NEWSLETTER], has its principle characteristics:

2.1-Purpose

The purpose of collecting and incorporating the data from the treatments previously mentioned is:

- a. For the treatment [WEB USERS / NEWSLETTER], offers the information demanded by the interested parties via a form or questionnaire on the web page **biovet-alquermes.com**.
- b. Answer questions that have been formulated.
- c. Send you information about our products offered on the website **biovet-alquermes.com**.

2.2- Responsibility for treatment

If there should be a third party who accesses this file, then there exists the obligation to subscribe to the contract that has been previously prescribed to **(article 28 RGPDUE)**. *This contract must be signed following the terms marked by the for mentioned article, which regulates the use of contracts and the confidentiality of personal data and which conforms with the present legislation*

2.3-Legal basis - consent

By filling in the diverse forms which are on the previously mentioned Web page, the user gives his or her consent to allow his or her personal data to be kept on the previously mentioned file, and this will be subject to the same rules as those present in the Privacy Policy. In the same way, the user gives **BIOVET** his or her consent to send him or her information periodically and inform him or her of our services.

However, you can at any moment reject this type of service by sending an e-mail to **administracion@biovet-alquermes.com** indicating the subject as “**UNSUBSCRIBE FROM THE DISTRIBUTION LIST**”.

3- Security measures

BIOVET has adopted the legal requirements for the level of security for the protection of personal data, and has installed all the means and technique measures in its hands to avoid any loss, bad use, alteration, access without authorization and robbery of the same data

4- Rights of Access, Rectification, Cancellation, Opposition, Portability and Limitation

The title holders of the data contained in the treatment [WEB USERS / NEWSLETTER] as well as the holders of the data contained in any of the files held by, **BIOVET**, can contact the entity, as the person responsible for the file, with the objective of being allowed to exercise their right of **access, rectification, cancellation, opposition, portability** and where appropriate **limitation**, with respect to the data incorporated in the treatment.

These rights are characterised as “**extremely personal**”, and as such can only be exercised by the title holder or his or her legal representative who have been previously accredited or who show sufficient representation.

A.- The right to **access** is to be exercised annually, except if the party interested shows legitimate accreditation. When exercising the right of access, the interested party can opt for the following systems in order to consult the file treatment:

- sending an email to: **administracion@biovet-alquermes.com**.
- writing a letter addressed to: **BIOVET, C/ Luxemburg, 25 -Pol. Ind. Constantí- 43120 CONSTANTÍ**

BIOVET will proceed to notify its decisions within a timeframe of a month. If it were to be accepted, the interested party would be able to access the previously mentioned information within 10 days after its notification.

B. - The right of **rectification** and **cancellation** can be exercised, conforming to the following provisions, whenever the interested party considers that the data collected in our files is *inexact, incomplete, inadequate* or *excessive*. If this is the case, you can exercise these rights via one of the means previously anticipated.

BIOVET will proceed with the rectification or cancellation within 10 days of receiving the application.

C.- The right of **portability** they may be exercised, in accordance with the following provisions, provided that the interested party considers that the data collected in our treatments must be returned to the data holder or to another third party (Treatment Manager).

D.- The right of **limitation** may be exercised, prior to opposition right for the treatment of their data, and that until the Opposition Law is not resolved, the treatment of them will be limited.

5- Regulation changes

BIOVET reserves the right to modify the present policy with the objective of adapting it to the

legislative or precedents changes, as well as those that could be derived from the “Code Type” existing in the material. Such changes will be communicated within the necessary time on our Web page, and it can ask the affected parties for their consent if it is believed that it does not have the consent according to the present policy.

If you should have any doubt, question or comments referring to the present regulations, please do not hesitate to ask about them by sending a communication to: **administracion@biovet-alquermes.com**.

1.3 Cookie Policy

The domain **biovet-alquermes.com** uses automatic "Cookies" collection procedures to gather personal information such as the type of browser or operating system, reference page, route, ISSP domain, etc. All this in order to improve the services provided. "Cookies" help us adapt this website to your personal needs.

What are cookies?

A "Cookie" is a small file that is stored on the user's computer and allows us to recognize him. The set of "Cookies" helps us improve the quality of our website, thus allowing us to personalize to a certain extent the navigation of each user on our website. "Cookies" are currently essential for the operation of the Internet, providing innumerable advantages in the provision of interactive services, facilitating the navigation and usability of our website.

Please note that "Cookies" cannot harm your equipment and, in return, that they are activated help us to identify and resolve errors and improve the navigability of our website by providing a better experience.

Cookies are used to:

- Make sure that web pages work properly.
- Store your preferences, like language or font size.
- Find out about the user's browsing experience.
- Compile anonymous statistical information, like which pages the user has visited or how long they have spent on the website.

Type, purpose and operation

Depending on their permanence, Cookies can be divided into two categories: session cookies and persistent cookies. The former expires when the user closes the browser. Whereas the latter expire when their aim is achieved or when they are deleted manually.

In addition, depending on their aim, Cookies can be classified as follows:

- **Required:** those that are strictly necessary and essential for the correct functioning of the Website. They are normally generated once the user visits the website or logs in and are used as a form of identification on the website with the following objectives:
 - They keep the user identified in such a way that, if they leave the website, exit the browser or device and then visit the page at a later time, they continued to be identified, which makes browsing easier as they do not have to identify themselves over again.
 - They confirm whether or not the User is authorized to access certain services or areas of the Website.
- **Preferred:** These enable the Website to record information related to the way that it behaves and its appearance - such as the language or the region where it is located.
- **Statistical/analytical:** These are used to analyse and improve the browsing experience, optimise the functioning of the website, and see how visitors interact, by collecting and reporting information - usually anonymously, but sometimes also uniquely and unmistakably identifying the user - in order to obtain reports on the interests of users in the services offered by the website.
- **Marketing:** These cookies collect information about adverts shown to website users. There are two types:
 - **Anonymous:** These collect information only about the advertising spaces shown on the Website, regardless of the user who browses without not expressly identifying him or herself.

- **Custom:** They collect the user's personal information from the website on behalf of a third party, in order to customise ad spaces.

- **Geolocation:** These cookies are used to determine the country of the user when they visit a service on a website, in order to offer content and services suitable to their location.

Adequate privacy / Cookie management

For more information about the appropriate configuration of cookies and the activation, restriction and / or disabling options, you should go to the help section of your browser to learn more:

Google Chrome	http://support.google.com/chrome/bin/answer.py?hl=es&answer=95647
